Information Sheet

1. Classes will follow the school calendar – i.e.: if there is a snow day, half-day, or vacation, there will be no class. Classes will run throughout the school year ending the last Friday of scheduled classes in June.
2. Students should dress appropriately – no baggy clothing is allowed as it can cause injury due to equipment becoming entangled. It is also difficult to see correct body position through loose clothing. Footwear also needs to be appropriate. Lightweight sneakers work best.
3. Some equipment such as hoops, ribbons, etc. will be provided. Students will be required to purchase their own batons, as sizes vary per individual. The cost of a baton is \$32.00. Colored end-caps (for protection) will also be available but not required for an additional \$4.00. The instructor will correctly measure the length of baton necessary and will order it directly from the manufacturer. The baton will last approximately one year to a year and a half, depending on how quickly your child grows.
4. Payment for the month will be due on the First Friday of the month. The cost is \$30.00 per month. - \$5 discount for multiple children in the same family.
